Due to our excellent location close to the Carmountside Crematorium we are the ideal place to meet up with family and friends for refreshments before you all disperse.

We have a large floodlit car park and are completely accessible to the disabled.

We can cater for small intimate gatherings of 10 up to 150+. Our food is freshly prepared on the premises and served by our staff who are sensitive and discrete whilst providing a high standard of service to you at all times.

Any enquiries are welcomed and we will do our best to accommodate any special requirements you may have.

Bookings can be made either directly by you or by your undertaker.

**Directions from Carmountside Crematorium:-**

Turn left onto Leek Road, take the next right into Birches Head Road (carpet shop on the corner). Continue over the narrow bridge and we are the large building on the right. Entrance to the main car park is on the right immediately after the bridge, the entrance to the overspill car park is next on the right.

**Payment:-**

Payment is required in full either before or on the day unless another method of payment has been arranged with the management or undertaker. Please confirm the method of payment when final numbers and menu choice are given.
